

Recent Additions to the Geological Society of India Library

- Cauvery Water Dispute—Saga of the Century old thirst for water.** (1992) *Irrigation Department, Bangalore*, 44 pp.
- Catalogue of Periodicals.** (1990) *Library Physical Research Laboratory, Ahmedabad*,
- Copper Statistics 1980–1989.** *Asian Industry and Information Services Pvt. Ltd.* 72 pp.
- Geologic Characteristic of Sediment and Volcanic-Hosted Disseminated Gold Deposits—Search for an Occurrence Model.** **TOOKER, E. W. (Ed.)** (1986). *USGS Bull. 1646 (Second Printing)*. 150 pp.
- Geological Survey of Finland: Current Research 1989–1990.** (1991) *Geol. Survey, Finland Special Paper 12*. 263 pp.
- Geography of India.** **NAG, P. and SMITHA SENGUPTA.** (1992) *Concept Publishing Co., New Delhi*. 280 pp. Rs. 300/-
- Indian Geoscience Abstracts 1989.** (1991) *Geological Survey of India*. 308 pp.
- Introduction to Geology and Resources of Gold, and Geochemistry of Gold.** (1991) *USGS Bull. 1857-A*. 25 pp.
- International Symposium on Evolution of Deserts (Abstracts).** (1992) *Physical Research Laboratory, Ahmedabad*. 245 pp.
- Manual of Soil and Water Conservation Practices.** **GURMAL SINGH and OTHERS** (1990) *Oxford & IBH Publishing Co.* 385 pp.
- Program for Earthquake Hazards Assessment in the Pacific Northwest.** (1991) *USGS Circular 1067*. 29 pp.
- Tectonics of China.** **CHEN GOUDA** (1988) *International Academic Publishers*. 258 pp.
- The Story of Water Energy.** **CHANDRA, D.** (1992) *Deva Sahitya Kutir*. 33 pp. Rs. 16/-

New Books

- Climate, Earth Processes and Earth History.** **HUGGETT, R. J.** (1991). 260 pp. \$ 89.
- Earthquake Hazard Analysis: Issues and Insights.** **REITER, L.** (1991). *Columbia, UP, New York*. 254 pp. \$ 65.
- Encyclopedia of Earth System Science.** **NIERENBERG, W. A. (Ed.)** ((1991). *Academic Press, San Diego C.A.* 4 vols. \$ 950 per set.
- Geology of England and Wales.** **MEL, P., DUTT, D. and SMITH, A. G. (Eds.)** (1992). *Over 650 pages. Paperback* \$ 57.
- Geology of Scotland.** **CRAIG, G. Y.** (1991). *Geological Society (Revised third edition)*. 612 pp. £ 29 (paperback).
- Guide to Scientific and Technical Writing.** **COORAY, P. G.** (1992). 426, *Mahakanda Road, Hindagala, Sri Lanka*. 159 pp.
- Introduction to the Petrology of Soils and Chemical Weathering.** **DANIEL NATON** (1991). *John Wiley*, 313 pp. \$ 59.95.
- Jurassic and Cretaceous Floras and Climates of the Earth.** **VAKHRAMEEV, V. A.** (1991). *Cambridge Univ. Press, New York*. 318 pp. \$ 99.50.
- Major Events in the History of Life.** **SCHOPT, J. W. (Ed.)** (1991). *Jones and Bartlett; Boston*. 190 pp. \$ 28-75.
- Planet Earth: the View from Space.** **JAMES BAKER, D.** (1990). *Harvard Univ. Press, Cambridge*. 196 pp.
- Progress in Metamorphic and Magmatic Petrology.** **PERCHUK, L. L. (Ed.)** (1991). *Cambridge Univ. Press*. 503 pp. £ 75.
- Sedimentary Basins: Evolution, Facies and Sediment Budget.** **EINSELE, G.** (1991). *Springer-Verlag, New York*. 550 pp. \$ 59 (soft cover).
- Thermodynamic Data: Systematics and Estimation.** **SAXENA, S. K.** (1992). 344 pp. \$ 98.
