Announcement

Geological Society of India

LAKSHMESHWAR RAMA RAO BIRTH CENTENARY RESEARCH GRANTS: 2005-2006

A sum of Rs.10,000 will be available under the above head during the year 2005-2006 for helping young research scholars. Grants will be available to Research Scholars engaged in the fields of Palaeontology and Stratigraphy for carrying out laboratory and field work.

Those interested in seeking assistance are requested to send an application to the Society furnishing full particulars of their academic qualifications, details of the project they are engaged in and the extent and nature of assistance required by them. The application should be supported by their guide and the head of the institution and should reach the Secretary, Geological Society of India, P.B. No.1922, Gavipuram P.O., Bangalore - 560 019 on or before 20th July 2005.
